Willkommen

Thank you for exploring the *Endless Possibilities* the seven villages of the Amana Colonies have to offer!

Many of you are old friends, visiting us annually, recalling childhood memories of traveling to the Amana Colonies with parents and grandparents. Some of you are new friends, just discovering the treasures of the Amana Colonies. Either way, the door is open – come on over!

We have something for everyone: the heritage of one of America's longest lived communal societies located in the lush landscape of the Iowa River valley, working artisans, live professional theatre, legendary restaurants, and some of the best antiques and shopping in Iowa. If you are looking for a slower pace, a place to stroll hand-in-hand, a place to get away from the hustle of everyday life – we are the spot for you! The pace may be slower, but that doesn't mean we don't have fun! We know how to throw a great party here in the Colonies – join us for one of our many festivals.

Old and new friends are always welcome here – can't wait to see you!

Kristie Wetjen, Executive Director
Amana Colonies Convention & Visitors Bureau
